Hi Tony,

Thank you for your e-mail.

We are happy to have a visit with our friends from Merits. We will spend as much time as they need getting comfortable with our fund. (Fairfield Sentry). We will have them meet with the founder of FGG, our CFO, our COO, our Accounting team, and members of our Investment team, as well as legal and Executive Cmte.

We will be happy to arrange a visit to Citco as well. The Madoff firm does not take client visits, as we run the fund, and they act as a role of implementing of the strategy. It is up to FGG to verify all the information, and we will have you meet our entire team that does that.

Please let us know when you would like to schedule the meeting.

Subject: Merits want to visit the Sentry in the beginning of Aug

Dear Richard,

Mr. Jeong DY, head of investment from Meritz Insurance, want to visit to FGG, NY for DDQ on Sentry fund.

In order to DDQ, he want to visit to following company which is related Sentry fund in the beginning of Aug

1. Manager and operation people in NY :
2. Madoff :
3. Investment manager in Bermuda: he is willing to go to Bermuda
4. CITCO NY branch: I just wonder this NY branch are doing their work for Sentry fund as a global custodian and fund administration. or HQ in Netherland and Ireland will do their job for Sentry? If only HQ will do their job then Mr Jeong is not necessary to visit CITCO NY

He does not feel comfortable on one company, Madoff can be a broker and custodian even though as you say it is usual in HF industry. The key point he wants to check is systematically whether his money will be safe or not under the worst situations.

I need to arrange his schedule once you reply this.

Please let me know a possible meeting schedule at NY and Bermuda

/Samsung's visit:

As I sent mail regarding Samsung before, please let me know the possible schedule also ASAP.

If Amit can not meet Samsung at NY then Samsung might go to Bermuda.

My best regards,

Tony Jang
